RECITALS

WHEREAS, the District was organized pursuant to and in accordance with the provisions of §§ 32-1-101, *et seq.*, C.R.S. for the purpose of constructing, financing, operating and maintaining certain public facilities and improvements for itself, its taxpayers, residents and users; and

WHEREAS, pursuant to § 32-1-1001(1)(d)(I), C.R.S., the District is empowered to enter into contracts and agreements affecting the affairs of the District; and

WHEREAS, pursuant to § 32-1-1001(1)(i), C.R.S., the District is empowered to appoint, hire and retain agents, employees, engineers and attorneys; and

WHEREAS, the District desires to engage the Contractor to perform certain services as are needed by the District to serve the property within and without its boundaries; and

WHEREAS, the Contractor has represented that it has the professional experience, skill and resources to perform the services, as set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and stipulations set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

TERMS AND CONDITIONS

1. SCOPE OF SERVICES. The Contractor shall perform the services described in **Exhibit A**, attached hereto and incorporated herein by this reference (the “Services”): (a) in a first-class manner, to the satisfaction of the District, using the degree of skill and knowledge customarily employed by other professionals performing similar services in the area of the District; (b) within the time period and pursuant to the Scope of Services specified in said Exhibit A; (c) in such a manner as to minimize any annoyance, interference or disruption to the residents, tenants, occupants and invitees within the District; and (d) in compliance with all applicable federal, state, county and local or municipal body or agency statutes, ordinances and regulations, including, without limitation, any licensing, bonding, and permit requirements, and

including without limitation, any such laws relating to storage, use or disposal of hazardous wastes, substances or materials. Exhibit A may take any form, including forms which may include price and payment terms. In the event of any conflict between terms set forth in the body of this Agreement and terms set forth in Exhibit A, the terms in the body of this Agreement shall govern. Contractor shall have no right or authority, express or implied, to take any action, expend any sum, incur any obligation, or otherwise obligate the District in any manner whatsoever, except to the extent specifically provided in this Agreement.

2. TERM/RENEWAL. This Agreement shall be effective as of the dated date hereof and shall terminate on the earlier to occur of: (i) termination pursuant to Section 18 hereof; (ii) completion of the Services; or (iii) December 31, 2016. Notwithstanding the foregoing, unless terminated pursuant to (i) or (ii) above, or unless the District determines not to appropriate funds for this Agreement for the next succeeding year, this Agreement shall automatically renew for each succeeding year for an additional one (1) year term commencing January 1 of the next succeeding year.

3. ADDITIONAL SERVICES. The District may request the Contractor to provide additional services not set forth in Exhibit A. The terms and conditions of the provision of such services shall be subject to the mutual agreement of the Contractor and the District pursuant to a written service/work order executed by an authorized representative of the District and the Contractor. Authorization to proceed with additional services shall not be given unless the District has appropriated funds sufficient to cover the additional compensable amount. To the extent additional services are provided pursuant to this Section 3, the terms and conditions of this Agreement relating to Services shall also apply to any additional services rendered.

4. REPAIRS/CLAIMS. The Contractor shall notify the District immediately of any and all damage caused by the Contractor to District property and that of third parties. The Contractor will promptly repair or, at the District's option, reimburse the District for the repair of any damage to property caused by the Contractor or its employees, agents or equipment. In addition, the Contractor shall promptly notify the District of all potential claims of which it becomes aware. The Contractor further agrees to take all reasonable steps to preserve all physical evidence and information which may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and to grant to the District the opportunity to review and inspect such evidence, including the scene of any damage or accidents. The Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Services and shall provide all reasonable protection to prevent damage or injury to persons and property, including any material and equipment related to the Services, whether in storage on or off site, under the care, custody, or control of the Contractor or any of its subcontractors.

5. GENERAL PERFORMANCE STANDARDS.

a. The Contractor has by careful examination ascertained: (i) the nature and location of the Services; (ii) the configuration of the ground on which the Services are to be performed; (iii) the character, quality, and quantity of the labor, materials, equipment and facilities necessary to complete the Services; (iv) the general and local conditions pertaining to the Services;

and (v) all other matters which in any way may affect the performance of the Services by the Contractor. Contractor enters into this Agreement solely because of the results of such examination and not because of any representations pertaining to the Services or the provision thereof made to it by the District or any agent of the District and not contained in this Agreement. The Contractor represents that it has or shall acquire the capacity and the professional experience and skill to perform the Services and that the Services shall be performed in accordance with the standards of care, skill and diligence provided by competent professionals who perform services of a similar nature to those specified in this Agreement. If competent professionals find that the Contractor's performance of the Services does not meet this standard, the Contractor shall, at the District's request, re-perform the Services not meeting this standard without additional compensation.

b. The Services of the Contractor shall be undertaken and completed to assure their expeditious completion in light of the purposes of this Agreement. If performance of the Services by the Contractor is delayed due to factors beyond the Contractor's reasonable control, or if conditions of the scope or type of services are expected to change, Contractor shall give timely notice to the District of such a delay or change and receive an equitable adjustment of time and/or compensation, as negotiated between the Parties.

c. The Services provided under this Agreement shall be adequate and sufficient for the intended purposes and shall be completed in a good and workmanlike manner.

d. The Contractor declares that it has complied with all Federal, State and local laws, rules, regulations, ordinances and/or similar directives regarding business permits, certificates and licenses that are required to provide the Services under this Agreement.

e. The responsibilities and obligations of the Contractor under this Agreement shall not be relieved or affected in any respect by the presence of any agent, consultant, sub-consultant or employee of the District. Review, acceptance or approval by the District of the Services performed or any documents prepared by the Contractor shall not relieve the Contractor of any responsibility for deficiencies, omissions or errors in said Services or documents, nor shall it be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

6. MONTHLY STATUS REPORT. The Contractor shall provide to the District, at the District's request, on or before the 25th of each month, a narrative progress and status report describing work in progress and results achieved during the reporting period, including a description of the Services performed during the invoice period and the Services anticipated to be performed during the ensuing invoice period ("Monthly Report").

7. COMPENSATION AND INVOICES.

a. Compensation. Compensation for the Services provided under this Agreement shall be in accordance with the compensation schedule attached hereto as **Exhibit B**. The Contractor shall be responsible for all expenses it incurs in performance of this Agreement and shall not be entitled to any reimbursement or compensation except as provided in Exhibit B of this Agreement, unless said reimbursement or compensation is approved in writing by the District in

advance of incurring such expenses. Any direct reimbursable costs for materials will be reimbursable at the Contractor's actual cost, provided that the Contractor shall make a reasonable attempt to notify the District of the estimated amount of such reimbursable costs (or any material adjustments thereto subsequently identified) prior to commencing the requested services.

b. Invoices. Invoices for the Services shall be submitted monthly, by the 25th of each month, during the term of the Agreement and shall contain the following information:

- i. An itemized statement of the Services performed.
- ii. Any other reasonable information required by the District to process payment of the invoice, including project and/or cost codes as provided in any applicable written service/work order.

The District shall be charged only for the actual time and direct costs incurred for the performance of the Services. Invoices received by the District after the 25th of each month may be processed the following month.

8. TIME FOR PAYMENT. Payment for the Services shall be made by the District within thirty (30) days of receipt of: (i) a timely, satisfactory and detailed invoice; and (ii) if applicable, a satisfactory and detailed Monthly Report, for that portion of the Services performed and not previously billed. The District may determine to waive or extend the deadline for filing the Monthly Report, or may make payment for Services to the Contractor notwithstanding a delay in filing the Monthly Report, upon reasonable request of the Contractor, if it is in the best interest of the District to do so. In the event a Board meeting is not scheduled in time to review payment of an invoice, the Board hereby authorizes payment for Services, subject to the appropriation and budget requirements under Section 27, without the need for additional Board approval, so long as any payment required to be made does not exceed the amounts appropriated for such Services as set forth in the District's approved budget. Such payment shall require review and approval of each Monthly Report and invoice by the President and one other officer of the District, subject to ratification at the next succeeding special or regular Board meeting.

9. INDEPENDENT CONTRACTOR. The Contractor is an independent contractor and nothing in the Agreement shall constitute or designate the Contractor or any of its employees or agents as employees or agents of the District. The Contractor shall have full power and authority to select the means, manner and method of performing its duties under this Agreement, without detailed control or direction from the District, and shall be responsible for supervising its own employees or subcontractors. The District is concerned only with the results to be obtained. The District shall not be obligated to secure, and shall not provide, any insurance coverage or employment benefits of any kind or type to or for the Contractor or its employees, sub-consultants, contractors, agents, or representatives, including coverage or benefits related but not limited to: local, state or federal income or other tax contributions, insurance contributions (e.g. FICA taxes), workers' compensation, disability, injury, health or life insurance, professional liability insurance, errors and omissions insurance, vacation or sick-time benefits, retirement account contributions, or any other form of taxes, benefits or insurance. The Contractor shall be

responsible for its safety, the safety of its employees, the public and the work site in general and shall comply with all applicable provisions of local, state and federal laws, regulations and orders affecting safety and health, including but not limited to the Occupational Safety and Health Act of 1970 (OSH Act). All personnel furnished by the Contractor will be deemed employees of the Contractor and will not for any purpose be considered employees or agents of the District, and the Contractor will comply with all employment laws relative to such employees, including but not limited to Wage and Hour laws, Worker Compensation Laws, Immigration Laws and OSHA-type laws. **The Contractor is not entitled to worker's compensation benefits or unemployment insurance benefits, unless unemployment compensation coverage is provided by the Contractor or some other entity other than the District, and the Contractor is obligated to pay federal and state income taxes on moneys earned pursuant to this Agreement.**

10. EQUAL OPPORTUNITY / EMPLOYMENT ELIGIBILITY. This Agreement is subject to all applicable laws and executive orders relating to equal opportunity and non-discrimination in employment and the Contractor represents and warrants that it will not discriminate in its employment practices in violation of any such applicable law or executive order.

The Contractor hereby states that it does not knowingly employ or contract with illegal aliens and that the Contractor has participated in or has attempted to participate in the E-Verify Program or Department Program (formerly known as the Basic Pilot Program) (as defined in §8-17.5-101, C.R.S.) in order to verify that it does not employ any illegal aliens. The Contractor affirmatively makes the follow declarations:

a. The Contractor shall not knowingly employ or contract with an illegal alien who will perform work under the public contract for services contemplated in the Agreement and will participate in the E-Verify Program or Department Program (as defined in §8-17.5-101, C.R.S.) in order to confirm the employment eligibility of all employees who are newly hired for employment to perform work under the public contract for services contemplated in the Agreement.

b. The Contractor shall not knowingly enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform the services contemplated in the Agreement.

c. The Contractor has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under the public contract for services through participation in either the E-Verify Program or the Department Program.

d. The Contractor is prohibited from using either the E-Verify Program or the Department Program procedures to undertake pre-employment screening of job applicants while this Agreement is being performed.

e. If the Contractor obtains actual knowledge that a subcontractor performing the services under this Agreement knowingly employs or contracts with an illegal alien, the Contractor shall be required to:

i. Notify the subcontractor and the District within three (3) days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien.

ii. Terminate the subcontract with the subcontractor if within three (3) days of receiving the notice required above the subcontractor does not stop employing or contracting with the illegal alien; except that the Contractor shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

f. The Contractor shall comply with any reasonable request by the Department of Labor and Employment made in the course of an investigation that such Department is undertaking pursuant to the authority established in §8-17.5-102, C.R.S.

g. If the Contractor violates a provision of the Agreement pursuant to §8-17.5-102, C.R.S., the District may terminate the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the District.

11. CONTRACTOR'S INSURANCE.

a. The Contractor shall acquire and maintain, at its sole cost and expense, during the entire term of this Agreement, insurance coverage in the minimum amounts set forth in **Exhibit C**, attached hereto and incorporated herein by this reference. A waiver of subrogation and rights of recovery against the District, its directors, officers, employees and agents is required for each coverage provided. The Commercial General Liability and Comprehensive Automobile Liability Insurance policies will be endorsed to name the District as an additional insured. All coverage provided pursuant to this Agreement shall be written as primary policies, not contributing with and not supplemental to any coverage that the District may carry, and any insurance maintained by the District shall be considered excess. The District shall have the right to verify or confirm, at any time, all coverage, information or representations required by this Section 11 of the Agreement.

b. Prior to commencing any work under this Agreement, the Contractor shall provide the District with a certificate or certificates evidencing the policies required by this Agreement, as well as the amounts of coverage for the respective types of coverage, which certificate(s) shall be attached hereto as **Exhibit C-1**. If the Contractor subcontracts any portion(s) of the Services, said subcontractor(s) shall be required to furnish certificates evidencing statutory workers' compensation insurance, comprehensive general liability insurance and automobile liability insurance in amounts satisfactory to the District and the Contractor. If the coverage required expires during the term of this Agreement, the Contractor or subcontractor shall provide replacement certificate(s) evidencing the continuation of the required policies.

c. The Contractor's failure to purchase the required insurance shall not serve to release it from any obligations contained in the Agreement; nor shall the purchase of the required

insurance serve to limit the Contractor's liability under any provision in the Agreement. The Contractor shall be responsible for the payment of any deductibles on issued policies.

12. CONFIDENTIALITY AND CONFLICTS.

a. Confidentiality. During the performance of this Agreement, if the Contractor is notified that certain information is to be considered confidential, the Contractor, on behalf of its employees, agrees to enter into a confidentiality agreement. Any information deemed confidential by the District and given to the Contractor by the District, or developed by the Contractor as a result of the performance of a particular task, shall remain confidential. In addition, the Contractor shall hold in strict confidence, and shall not use in competition, any information which the Contractor becomes aware of under or by virtue of this Agreement which the District deems confidential, or which the District has agreed to hold confidential, or which, if revealed to a third party, might reasonably be construed to be contrary to the best interests of the District.

b. Conflicts. Prior to the execution of, and during the performance of this Agreement and prior to the execution of future agreements with the District, the Contractor agrees to notify the owner of conflicts that impact the Services to the District.

13. OWNERSHIP OF DOCUMENTS. All documents produced by or on behalf of the Contractor pursuant to this Agreement, including, but not limited to, all maps, plans, drawings, specifications, reports, electronic files and other documents, in whatever form, shall remain the property of the District under all circumstances, upon payment to the Contractor of the invoices representing the work by which such materials were produced. The Contractor shall maintain electronic and reproducible copies on file of any such instruments of service involved in the Services, shall make them available for the District's use and shall provide such copies to the District upon request at no cost.

14. LIENS AND ENCUMBRANCES. The Contractor shall not have any right or interest in any District assets, nor any claim or lien with respect thereto, arising out of this Agreement or the performance of the services contemplated in the Agreement. The Contractor, for itself, hereby waives and releases any and all statutory or common law mechanic's, materialmen's or other such lien claims, or rights to place a lien upon the District's property or any improvements thereon in connection with any Services performed under or in connection with this Agreement, and the Contractor shall cause all permitted subcontractors, suppliers, materialmen, and others claiming by, through or under the Contractor to execute similar waivers prior to commencing any work or providing any materials in connection with the Services. The Contractor further agrees to execute a sworn affidavit respecting the payment and lien releases of all subcontractors, suppliers and materialmen, and release of lien respecting the Services at such time or times and in such form as may be reasonably requested by the District. The Contractor will provide indemnification against all such liens for labor performed, materials supplied or used by the Contractor and/or any other person in connection with the Services undertaken by the Contractor, in accordance with Section 15(b), below.

15. INDEMNIFICATION.

a. The Contractor shall defend, indemnify and hold harmless the District and each of its directors, officers, contractors, employees, agents and consultants, from and against any and all claims, demands, losses, liabilities, actions, lawsuits, damages, and expenses, including reasonable legal expenses and attorneys' fees, by the degree or percentage of negligence or fault arising directly or indirectly, out of the errors or omissions, negligence, willful misconduct, or any criminal or tortious act or omission of the Contractor or any of its subcontractors, officers, agents or employees, in connection with this Agreement and/or the Contractor's performance of the Services or work pursuant to this Agreement. The Contractor is not obligated to indemnify the District for the District's own negligence. This indemnification obligation will not be limited in any way by any limitation on the amount or types of damages, compensation or benefits payable by or for the Contractor under worker's compensation acts, disability acts or other employee benefit acts.

b. The Contractor will at all times indemnify, defend and hold the District and its directors, officers, managers, agents and employees harmless against any liability for claims and liens for labor performed or materials used or furnished in the performance of Contractor's Services, including any costs and expenses incurred in the defense of such claims and liens, reasonable attorneys' fees and any damages to the District resulting from such claims or liens. After written demand by the District, the Contractor will immediately cause the effect of any suit or lien to be removed from the District's property. In the event the Contractor fails to do so, the District is authorized to use whatever means in its discretion it may deem appropriate to cause said lien or suit to be removed or dismissed, and the costs thereof, together with reasonable attorneys' fees, will be immediately due and payable by the Contractor or may, at the District's option, be offset against any sums due and payable to Contractor pursuant to this Agreement. In the event a suit on such claim or lien is brought, the Contractor will, at the option of the District, defend said suit at its own cost and expense, with counsel satisfactory to the District and will pay and satisfy any such claim, lien, or judgment as may be established by the decision of the Court in such suit. The Contractor may litigate any such lien or suit, provided the Contractor causes the effect thereof to be removed promptly in advance from the District's property.

c. This indemnity coverage shall also cover the District's defense costs in the event that the District, in its sole discretion, elects to provide its own defense. The District retains the right to disapprove counsel, if any, selected by the Contractor to fulfill the foregoing defense indemnity obligation, which right of disapproval shall not be unreasonably exercised. Insurance coverage requirements specified in the Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the District's protection in the performance of this Agreement. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

16. ASSIGNMENT. The Contractor shall not assign this Agreement or parts thereof, or its respective duties, without the express written consent of the District. Any attempted assignment, delegation or subcontracting of this Agreement in whole or in part with respect to

which the District has not consented, in writing, shall be null and void and of no effect whatsoever.

17. SUB-CONTRACTORS. The Contractor is solely and fully responsible to the District for the performance of all Services under this Agreement, whether performed by the Contractor or a subcontractor engaged by the Contractor. The Contractor shall not subcontract any Services without prior written approval by the District. The Contractor agrees that each and every agreement of the Contractor with any subcontractor to perform Services under this Agreement shall contain an indemnification provision identical to the one contained in Section 15 of this Agreement holding the District harmless for the acts of the subcontractor. The Contractor further agrees that any such subcontract shall be terminable for cause or convenience and that, unless directed otherwise by the District, the Contractor shall immediately terminate all such subcontracts immediately upon termination of this Agreement. Prior to commencing any Services, a subcontractor shall provide evidence of insurance coverage to the District. The Contractor further agrees that all such subcontracts shall provide that they may be terminated immediately without further cost upon termination of this Agreement. Neither the District's approval of any subcontractors, suppliers or materialmen, nor the failure of performance thereof by such parties, will relieve, release or affect in any manner any of the Contractor's duties, liabilities or obligations under this Agreement, and the Contractor will at all times be and remain fully liable. The Contractor agrees that each of its employees, and any subcontractors, suppliers and materialmen will be properly qualified and will use reasonable care in the performance of their duties.

18. TERMINATION. In addition to the termination provisions contained in Section 2, above, this Agreement may be terminated for cause or for convenience by the Contractor upon delivery of thirty (30) days prior written notice to the District and by the District by giving the Contractor thirty (30) days prior written notice. Such notice shall not be required for automatic expiration under Section 2, above. If this Agreement is terminated, the Contractor shall be paid for all the Services satisfactorily performed prior to the designated termination date, including reimbursable expenses due. Said payment shall be made in the normal course of business. Should either Party to this Agreement be declared bankrupt, make a general assignment for the benefit of creditors or commit a substantial and material breach of this Agreement in the view of the other Party, said other Party shall be excused from rendering or accepting any further performance under this Agreement. In the event of termination by either Party hereto, the Contractor shall cooperate with the District to ensure a timely and efficient transition of all work and work product to the District or its designees. All time, fees and costs associated with such transition shall not be billed by the Contractor to the District.

19. DEFAULT. If either Party fails to perform in accordance with the terms, covenants and conditions of this Agreement, or is otherwise in default of any of the terms of this Agreement, the non-defaulting party shall deliver written notice to the defaulting party of the default, at the address specified in Section 20 below, and the defaulting party will have fifteen (15) days from and after receipt of the notice to cure the default. If the default is not of a type which can be cured within such fifteen (15)-day period and the defaulting party gives written notice to the non-defaulting party within such fifteen (15)-day period that it is actively and diligently pursuing a cure, the defaulting party will have a reasonable period of time given the nature of the default

following the end of the fifteen (15)-day period to cure the default, provided that the defaulting party is at all times within the additional time period actively and diligently pursuing the cure. If any default under this Agreement is not cured as described above, the non-defaulting party will, in addition to any other legal or equitable remedy, have the right to terminate this Agreement and enforce the defaulting party's obligations pursuant to this Agreement by an action for injunction or specific performance.

20. NOTICES. Any notice or communication required under this Agreement must be in writing, and may be given personally, sent via nationally recognized overnight carrier service, or by registered or certified mail, return receipt requested. If given by registered or certified mail, the same will be deemed to have been given and received on the first to occur of: (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent; or (ii) three days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If personally delivered or sent via nationally recognized overnight carrier service, a notice will be deemed to have been given and received on the first to occur of: (i) one business day after being deposited with a nationally recognized overnight air courier service; or (ii) delivery to the party to whom it is addressed. Any party hereto may at any time, by giving written notice to the other party hereto as provided in this Section 20 of the Agreement, designate additional persons to whom notices or communications will be given, and designate any other address in substitution of the address to which such notice or communication will be given. Such notices or communications will be given to the parties at their addresses set forth below:

21. AUDITS. The District shall have the right to audit, with reasonable notice, any of the Contractor's books and records which may be necessary to substantiate any invoices and payments under this Agreement (including, but not limited to, receipts, time sheets, payroll and personnel records) and the Contractor agrees to maintain adequate books and records for such purposes during the term of this Agreement and for a period of two (2) years after termination of the Agreement and to make the same available to the District at all reasonable times and for so long thereafter as there may remain any unresolved question or dispute regarding any item pertaining thereto.

22. ENTIRE AGREEMENT. This Agreement constitutes the entire Agreement between the Parties hereto relating to the Services, and sets forth the rights, duties, and obligations of each to the other as of this date. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Agreement are of no force and effect. This Agreement may not be modified except by a writing executed by both the Contractor and the District.

23. BINDING AGREEMENT. This Agreement shall inure to and be binding on the heirs, executors, administrators, successors, and assigns of the Parties hereto.

24. NO WAIVER. No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other of the provisions of this Agreement, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided in the Agreement, nor shall the waiver of any default be deemed a waiver of any subsequent default.

25. GOVERNING LAW / DISPUTES.

a. Arbitration. All claims, counterclaims, disputes and other matters in question between the Parties hereto arising out of or relating to this Agreement or the breach hereof may be decided by Arbitration upon the mutual agreement to do so by the Parties to this Agreement. In that case, arbitration will be administered by the Judicial Arbiter Group in Denver, Colorado under its arbitration rules, by a single arbitrator, unless a different arbitrator is agreed upon by the Parties. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. THE PARTIES RECOGNIZE THAT BY AGREEING TO BINDING ARBITRATION AS THE METHOD FOR DISPUTE RESOLUTION, THEY RELINQUISH THE RIGHT TO BRING AN ACTION IN COURT AND WAIVE THE RIGHT TO A JURY TRIAL AND THE EXTENSIVE DISCOVERY RIGHTS TYPICALLY PERMITTED IN JUDICIAL PROCEEDINGS. Colorado law shall apply to any dispute, without regard to conflict of law principles that would result in the application of any law other than the law of the State of Colorado. Each Party will be responsible for paying one half of all fees and expenses charged by the arbitrator. Notice of request for arbitration must be filed in writing with the other Party(ies) to this Agreement. If agreed to, notice must be filed with the Judicial Arbiter Group. The request must be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event may it be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations. In the event that the Parties do not agree to arbitration, each party shall be permitted to pursue all available legal and equitable remedies.

b. Litigation and Venue. In the event the Parties do not agree to arbitration pursuant to Section 25(a), above, venue for all actions arising from this Agreement shall be in the District Court in and for the county in which the District is located. The Parties expressly and irrevocably waive any objections or rights which may affect venue of any such action, including, but not limited to, *forum non-conveniens* or otherwise. At the District's request, the Contractor shall carry on its duties and obligations under this Agreement during any legal proceedings and the District shall continue to pay for the Services performed under this Agreement until and unless this Agreement is otherwise terminated.

c. Prevailing Party. Other than arbitration fees as set forth in Section 25(a) of the Agreement, in the event that it becomes necessary for either party to enforce the provisions of this Agreement or to obtain redress for the breach or violation of any of its provisions, whether by litigation, arbitration or other proceedings, the prevailing party shall recover from the other party all costs and expenses associated with such proceedings, including reasonable attorney's fees. For purposes of this Agreement, "prevailing party" shall mean the party in whose favor a judgment, decree, or final order is rendered, either by an arbitrator or the court, after appeal, if any. In the event both Parties prevail on one or more claims, the prevailing party shall mean the net winner of a dispute, taking into account the claims pursued, the claims on which the pursuing party was successful, the amount of money sought, the amount of money awarded, and offsets or counterclaims pursued (successfully or unsuccessfully) by the other Party.

d. At the District's request, the Contractor will consent to being joined in litigation between the District and third parties, but such consent shall not be construed as an admission of fault or liability. The Contractor shall not be responsible for delays in the performance of the Services caused by factors beyond its reasonable control including delays caused by Act of God, accidents, failure of any governmental or other regulatory authority to act in a timely manner or failure of the District to furnish timely information or to approve or disapprove of Contractor's Services in a timely manner.

26. GOOD FAITH OF PARTIES. In the performance of this Agreement, or in considering any requested approval, acceptance, or extension of time, the Parties agree that each will act in good faith and will not act unreasonably, arbitrarily, capriciously, or unreasonably withhold, condition, or delay any approval, acceptance, or extension of time required or requested pursuant to this Agreement.

27. SUBJECT TO ANNUAL APPROPRIATION AND BUDGET. The District does not intend hereby to create a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever. The performance of those obligations of the District pursuant to this Agreement requiring budgeting and appropriation of funds are subject to annual budgeting and appropriations. The Contractor expressly understands and agrees that the District's obligations under this Agreement shall extend only to monies appropriated for the purposes of this Agreement by the Board and shall not constitute a mandatory charge, requirement or liability in any ensuing fiscal year beyond the then-current fiscal year. No provision of this Agreement shall be construed or interpreted as a delegation of governmental powers by the District, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the District or

statutory debt limitation, including, without limitation, Article X, Section 20 or Article XI, Section 6 of the Constitution of the State of Colorado. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of District funds. The District's obligations under this Agreement exist subject to annual budgeting and appropriations, and shall remain subject to the same for the entire term of this Agreement.

28. GOVERNMENTAL IMMUNITY. 29. NEGOTIATED PROVISIONS. 30. SEVERABILITY. If any covenant, term, condition or provision of this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such covenant, term, condition or provision shall not affect any other provision contained in the Agreement, the intention being that such provisions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Agreement a provision similar in terms to such illegal, invalid or unenforceable provision so that the resulting reformed provision is legal, valid and enforceable.

31. NO THIRD PARTY BENEFICIARIES. It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third party on such Agreement. The Contractor further warrants that the Work will conform to all requirements of the Agreement and all other applicable laws, ordinances, codes, rules and regulations of any governmental authorities having jurisdiction over the Work. All Services are subject to the satisfaction and acceptance of the District, but payments for the completed Work will not constitute final acceptance nor discharge the obligation of the Contractor to correct defects at a later date. Such warranties set forth in the

Agreement are in addition to, and not in lieu of, any other warranties prescribed by Colorado law.

34. TAX EXEMPT STATUS. The District is exempt from Colorado State sales and use taxes.
