

Good Evening and Welcome to the Fossil Ridge Metropolitan District 2 & 3 Community Forum.

This is your meeting. **We want to hear from you.** In an effort to enhance your input to the board members present tonight, we would like to agree on the following guidelines:

1. There will never be more than 2 board members from FRMD#2 and 2 board members from FRMD#3 (a total of 4 of the 10 board members) present. The present board members will never offer an opinion because they cannot speak for the board.
2. No decisions will be made at these meetings. We are here to listen to you.
3. We will take questions that cannot be factually answered back to the entire board. To insure we capture your concern, please fill out the question sheet and leave it with us. Our goal is that all questions will be responded to. *Your contact information is important.*
4. We welcome and respect differences of opinion, it can be helpful. New ideas always improve outcomes. That being said, **respectful disagreement** is a must. We are all neighbors sitting in this room and a positive environment is important. If the meeting becomes disrespectful to one another, the meeting will end.
